The entryfee for the BMW M235i Racing Cup 2016 is **12.550€ excl. VAT (6%)**

This calendar offers a total of nearly **38 hours of racing and over 53 hours of tracktime.**

This gives you a very competitive average price of less than 340€/hour racing and less than 240€/hour tracktime.

The entryfee contains:

- Participation press-testday and the 7 races of the calendar BMW M235i Racing Cup 2016
- RACB championship rights BMW M235i Racing Cup
- Participation Belcar championship 2016

In this way you are competing for the ranking in the BMW M235i Racing Cup and you are also competing for a ranking in the Belcar Class 3 ranking for the 5 races of the Belcar championship that are included in our calendar.

The season entries are assured of a starting place in the 24H of Zolder 2016. Separate registrations for the 24H Zolder will only be granted as of the 13th of June if still available. You can already address your interest to participate in this race and you will be added to the waiting list.

Benefits and entry possibilities:

II. Technical upgrade

BMW Motorsport foresees in 2016 in a mandatory upgrade for the BMW M235i Racing Cup in the VLN (Nürburgring), BMW M235i Racing Cup Belgium and the 24 Hours Series.

This technical upgrade contains the following parts:

- Toe links front axle
- Toe links rear axle
- Boot lid + rear wing
- Brake calipers 6-pistons, front axle
- Cockpit ventilation

These upgrades have been thoroughly tested as well on the Circuit Zolder track after the 2015 season.

For the teams that already confirmed their entry in the BMW M235i Racing Cup these upgrade-packages are already ordered. In attachment you will find a separate order form which you need to use to order the package under the above mentioned conditions.

III. We are racing

When announcing the 2016 season we introduced the headline "Racing isn't what we do, it's who we are. We are racing".

In this spirit we would like to offer you a platform to promote your racing-activities and offer added value to you as ambassadors of the BMW M235i Racing Cup. The 24H of Brussels karting or the participation at Curbstone Events are some first examples.

24H Karting 23-24/04/2016

We confirmed the entry at the 24H of Brussel karting at First Kart'Inn in Machelen on 23-24/04 with a team. BMW M235i Racing Cup drivers who enter for the complete season 2016 can participate at an evening training session (date tbd) prior to the race to make the selection of the drivers who will be able to participate under the BMW Racing Cups banner to this 24 hour race.

Drivers that are interested can already apply via info@bmwm235iracingcup.be Participation is FREE and only accessible to those drivers that are entered for the entire 2016 season.

Curbstone Events – Spa-Francorchamps

As promotor of the BMW M235i Racing Cup we can make you the proposal to participate at the Curbstone Events at the specific membership-rates.

Curbstone Events emphasizes on optimal driving comfort and maximum safety. During the race-sessions there are a maximum of 25 cars on the track. Included in the events are live timing, photo service, refreshments during the day, lunch and closing champagne drink. All info on www.curbstone.net

On Friday 25th of March there is a Curbstone trackday which would also allow you to test the upgrade before the start of the season in Spa-Francorchamps on this track.

When interested in participation in Curbstone Track Events you can directly contact Ludovic Colman lcolman@curbstone.net or via +32/491/39 97 48 mentioning that you are a BMW M235i Racing Cup participant.

IV. Communication

All news that you would like to see posted on the website or the facebook-page is welcome via info@bmwm235iracingcup.be

In attachment you'll find the drivers sheet to fill in.

With your info we can also start making the team- and driver pages on the website.

V. Timings

For some of the races we already received the timing information. You can find these in the different attachments.

On the page 'championships' on our website, you can also find information and documents.
